HOW DO I FIND A PROVIDER IN THIS DIRECTORY?

This directory is organized according to County and Specialty as well as wheelchair accessibility and a spoken language.

DO I NEED TO USE NETWORK PROVIDERS?

PRIME HEALTH CHOICE, LLC uses a network of healthcare providers to deliver many of the services that you need. Please talk to your Care Coordinator about this type of services that should be included in your plan of care.

With a few exceptions, you must receive all services that are covered by PRIME HEALTH CHOICE, LLC and from one of the providers in our provider network. You do not need to use plan providers in the following situations.

- You do not need to use a plan provider in an emergency. In an emergency, please call 911 or get to the closest hospital, emergency room or doctor's office. Once the emergency has passed, please contact PRIME HEALTH CHOICE, LLC as soon as possible so that we can alter the services you are receiving to best address the changes in your health needs.

- If you are receiving health care services from an out-of-network provider at the time of your enrollment and the provider agrees to work with PRIME HEALTH CHOICE, LLC you may continue to see this provider until you complete the course of treatment for up to 90 days.
- If you are in the process of receiving treatment for a health problem and your provider terminates its relationship with PRIME HEALTH CHOICE, LLC you may continue to see this provider to complete the course of treatment for up to 90 days.

CAN I CHANGE PROVIDER?

You may choose a new provider at any time. The easiest way to change providers is to ask your Care Coordinator for help. If you make a change, please inform your Care Coordinator so that we can continue to coordinate your care appropriately.

CAN THE LIST OF PLAN PROVIDERS CHANGE?

PRIME HEALTH CHOICE, LLC may add or remove a plan provider from the directory. To make certain that a particular provider is in the PRIME HEALTH CHOICE, LLC to your Care Coordinator or Member Services Representative.

HOW OFTEN WILL I RECEIVE A NEW PROVIDER DIRECTORY?

We will send you an updated provider directory every year. However, please talk to your Nurse Consultant if you ever need another copy of your provider directory.

If you have any questions about this directory or need assistance in finding a provider or scheduling an appointment with the provider, please call our Member Services Department:
